Hi Jennifer,

The following people from EPA will be attending the upcoming consultation meeting with Tribal Council:
Darcy O'Connor, Water Division Director
Kimberly Varilek, Senior Tribal Advisor
Valois Robinson, Underground Injection Control Dewey-Burdock Project Lead

I have attached the letter sent to President Bear Runner containing the list of topics for discussion during the consultation meeting. I will also review the comments we received from the Oglala Sioux Tribe during the public comment period to identify the topics mentioned in the comments and send them to you.

Thanks so much for your assistance in scheduling this consultation meeting!

Valois
